

Application No.: 09/767,370  
Art Unit: 1643

Docket No.: BGNA054RCE2

**REMARKS**

Claims 8, 10, 11, 16, 26, 28, 29 and 37-51 were pending in the instant application prior to the filing of the Amendment and Response on August 7, 2006. Applicant notes that in the Amendment and Response filed on August 7, 2006, the listing of the claims incorrectly identified claim 47 as "cancel". The listing of the claims included in this Supplemental Amendment and Response serves to clarify the status of claim 47, as Applicant did not intend to cancel claim 47. Thus, upon entry of the foregoing amendment, claims 8, 10, 11, 16, 26, 28, 29 and 37-51 will be pending in the instant application.

No new matter has been added. Applicants request that the amendments to the claims be entered in accordance with this Supplemental Amendment and Response and the Amendment and Response filed on August 7, 2006. The foregoing claim amendments should in no way be construed as an acquiescence to any of the Examiner's rejections and were made *solely* to expedite prosecution of the present application. Applicants reserve the right to pursue the claims as originally filed in this or a separate application(s).

In addition to the Supplemental Amendment and Response filed herewith, Applicants respectfully request that the Examiner consider the Amendment and Response filed on August 7, 2006.
